

MOBILIZING AND SUPPORTING DIASPORA ENTREPRENEURSHIP

Training theme: Economic, financial, and digital transitions

Language: French

Registration Instructions: Free access

Format: Online untutored course

Overall theme and context

This series of videos, designed in collaboration with Afric'Asso and Afric'Innov as part of the MEET Africa 2 project, co-financed by the European Union and the Agence française de développement (AFD) and implemented by Expertise France, will help public players to make their ecosystems more fluid and easier to understand, to create a common, shared framework between institutions at national level, and to inform, guide and support diaspora entrepreneurs.

Training objectives

This training course enables African public players to :

- Gain an in-depth understanding of the issues and problems of diaspora entrepreneurship.
- Gain precise knowledge of existing solutions and initiatives for mobilizing and supporting diaspora entrepreneurs.

Teaching and activities

The training course is made up of videos.

Registration details and timetable

The training course is available all year round

Target audience

This training course is aimed at public players, entrepreneurial support structures and entrepreneurs.
