

PROCUREMENT OF AFD-FINANCED CONTRACTS

Training theme: Economic, financial, and digital transitions

Duration: 12 hours

Languages: French, English

Format: Online untutored course, Online tutored course

Overall theme / context

Welcome to this online training offered by AFD, on the procurement of contracts it finances.

This training course is primarily aimed at beneficiaries of AFD funds who need to select contractors to implement project activities using these funds (contracts for works, goods, consulting services, other services) outside France.

If you want, or need, to know everything about procurement of AFD (French Development Agency) financed contracts, this training is for you!

To register and start this online training, please go to the top right of this page (self-registration).

Do not hesitate to watch the teaser to learn more about this training!

Learning objectives

This training presents the fundamental principles and processes expected by AFD in terms of procurement when implementing AFD-funded projects. The training program is based on the Procurement Guidelines for AFD-financed contracts in foreign countries and on AFD's standard bidding documents.

In detail, this program covers all the procurement steps: from the preparation of the procurement plan, the request for expression of interest or pre-qualification (if applicable), the preparation of the request for proposals or of the bidding documents, to the evaluation and award of the contract.

Teaching & activities

elearning Modules, case studies etc.

Registration details

Open to all, all year.

Target audience

This MOOC is for you if you need to carry out procurement of contracts financed by AFD in foreign countries according to AFD's Procurement Guidelines (project managers, procurement specialists, technical assistants....).

Partners

L' Agence Française de Développement (AFD) (<https://www.afd.fr/fr>) : AFD implements France's development and international solidarity policies.
