

SCALE ME UP

Training theme: Economic, financial, and digital transitions

Duration: 30 minutes

Languages: French, English

Location: Online

Registration Instructions: Free access

Format: Online untutored course

Overall theme and context

The Scale Me Up application, which has been developed by the ScaleChanger social innovations group and the partners in the Social & Inclusive Business Camp programme, enables entrepreneurs to assess their level of maturity by analysing the various dimensions of their company's development. The aim is to support them as they grow by providing tailored educational tools and resources while also offering access to a community of other entrepreneurs.

Registration details

This easy-to-use tool is available all year.

Target audience

Individuals wishing to diagnose the level of maturity of their company themselves or entrepreneurial support structures wishing to use a tool to support their assessments and advice.
